First thing, we want to apologize to Mr. Robert “Bob” Vogt. His name was listed in the Memoriam column in the May newsletter. We are happy to report that Mr. Vogt is alive and well. It seems that a person with the same name passed away and without it stating he worked for the State, in checking our membership list, we had a Robert Vogt as a member. We do sincerely apologize to him for the error. Please remember to call the State office when either a member or associate member dies so we can keep our records current and newsletters will continue to be received by the remaining member/associate member. All PARSE records are kept by the state office. We have no office for your chapter. You also need to contact Cheryl Goldman so the information can be placed in the newsletter.

Don’t forget to send in your reservation for the June “Picnic” on the 18th (the flyer is in this newsletter). We have a buffet and the Curtis Andrew’s Trio for the entertainment. The cost is $15 for members and $20 for guests with a member. We are also giving away prize money ($2,000) to those with winning tickets (you must be present and wearing your name tag) and the 50/50 monies will be distributed.

When we renewed our Small Games of Chance License, we were informed that on our 50/50 drawings each month, 50% of what we take in must be distributed to an outside public interest. This is the State Law. In other words, instead of each quarter where we give 50% to the Central Penn Food Bank, we must do this every month. At the recent board meeting, it was decided we have two choices on the 50/50 drawings. We can either give 50% each month to the Food Bank or discontinue the 50/50 drawings altogether. This was announced at the May luncheon and a decision will be made after a vote by those attending the luncheon and those who get back to me ASAP after you receive this newsletter if you were at the May luncheon, please do not call and vote again. It will be decided at the June board meeting and whatever is decided will be implemented at the June luncheon. I will put the results in the next newsletter.

At the end of April 2019, the number of members in Central Penn was 6,812 and the total membership statewide was 22,867 members. We are continuing to grow.

The State Office will be electing a President and Secretary in September. Although the current officers are still interested in their positions, I want to advise you that the positions will be voted on at the September Governing Board Meeting. If you are interested in running for either position, please see me for a candidate data form to be submitted to the state office no later than June 7th. These positions are at the Camp Hill location and candidates must be available Monday through Friday.
